PROPANE GAS CYLINDERS

RECYCLED ITEMS

PLASTICS: RESIDENTS ARE NOW REQUIRED TO SORT THEIR PLASTICS AT THE TRANSFER STATION. PLASTICS WILL BE SEPERATED AS FOLLOWS. LOOK FOR THE ARROW TRIANGLE ON THE BOTTOM OF EACH BOTTLE.

Plastic: #1 BOTTLES ONLY. These include all soda, juice and water bottles. Each bottle is marked on the bottom of the item. Soda, Juice, Water and other drink bottles are OK. Please remove and discard all caps from plastics, they are not recyclable.

Plastic: #2 CLEAR (Natural) BOTTLES & JUGS ONLY. These include all milk (NOT Hood's) and spring water bottles & jugs.

Plastic: #2 COLORED BOTTLES & JUGS ONLY. These include laundry detergent, fabric softener, bleach, shampoo, juice bottles, Hood's Milk, etc., just to name a few. Please ask an attendant when in doubt.

At this time WE DO NOT RECYCLE the following plastics:

No # 1 black platter plates or hardened black plastic

No # 1 or # 6 clear food trays (plastic egg cartons, vegetable and fruit trays)

No. 3, No. 4, No. 5, No. 6 or No. 7 plastic bowls, cups, and containers.

THESE CAN BE PLACED IN YOUR REGULAR HOUSEHOLD TRASH

Please check the bottom of each item for the recycle arrow triangle. To clarify, by definition a bottle has a neck that is smaller than the base. A cottage cheese container for example, is not a bottle. Please see an attendant if you're not sure.

Aluminum Beverage Cans: Soda and Beer ONLY. Cat food cans are to be placed in with Tin Cans (see below).

Tin Cans: All metal and aluminum food cans, please rinse out the best you can.

Newspapers and Magazine Bin: We combine magazines, newspapers & paperback books. Please no brown bags, no bundles, no office paper, no hardcover books.

Cardboard Area: Corrugated cardboard only (ask an attendant if you don't know what "corrugated" means). Please flatten all boxes and place near the bailer area next to the Swap Shop. Remove & discard all packing material. Glossy or shiny corrugated is OK. Pizza boxes (completely empty) are OK. Please, NO TRASH. Paperboard goes in with Mixed Paper.

Mixed Paper Bin: Boxes that are NOT corrugated belong here, along with brown paper bags, cereal boxes, all dry food boxes (that you find in your cupboard), detergent boxes, cracker boxes, gift (shirt) boxes; office paper & junk mail, hardcover books.

Light Iron Bin: All metal. No Trash.

Wood Bin: Plywood, particleboard, painted, stained, clean wood and plain wood furniture (no stuffing or glass). Please see the complete fee schedule available in the office.

Construction Bin: Pressure treated lumber, sheetrock, insulation, laminated wood, bulky household furniture. No metal. Please see the complete fee schedule available in the office.

Waste Oil: Place in the "Haz-Mat" area. No antifreeze or water mixed with oil.

Yard Waste: Yard waste such as: brush, grass clippings, leaves and organic materials. PLEASE, NO PLASTIC BAGS OR TRASH, THIS CONTAMINATES THE FINISHED COMPOST.

Compost: This compost is available to our residents at no charge.

Swap Shop: This is not an area to leave broken, worn or unusable items. Residents like to take things from the Swap Shop and use them right away. Gently used items are preferable. Please leave or take no more than 2 items each visit. Computers and other computer peripherals, TV's, microwaves, stuffed furniture, air conditioners, dehumidifiers or other large items cannot be dropped-off without first seeing an attendant and paying the appropriate disposal fees. Because of the small size of the swap shop, please do not leave large items without speaking with an attendant (**Hours of operation dependent on volunteer efforts, we need volunteers to help keep the Swap Shop organized and to reject unwanted items**).

Salvation Army Boxes: Please place clothing, pillows, blankets and other cloth items inside the boxes. Do not leave items outside the boxes. If the boxes are full, please bring your items back on your next visit.

Organic Matter: Egg shells, coffee grounds, and vegetable scraps can be stored in paper bags and dumped in the Yard Waste pile at the Transfer Station. Please do not leave plastic bags or containers other than paper bags in the pile.

Tires: Fees apply. \$3.00 per tire for 16.5" or smaller; \$4 per tire for 17"-19"; \$6 per tire on rim; \$25.00 per tire for construction truck; and \$60.00 per tire for heavy equipment. Please see the complete posted fee schedule.

Computers/Electronics/Appliances/Bulky items: Please see the complete fee schedule posted in the office. Fees apply for computer CPU's, monitors and peripherals (keyboards, mice, speakers), printers and scanners, televisions, refrigerators and freezers, air conditioners, dehumidifiers, fluorescent light bulbs, ballasts, and copiers.

Clear trash bags are required for disposal and are sold in rolls of 25; **\$2.25 for small** and **\$2.75 for large**. Clear bags may also be purchased at most grocery stores.

Thank you for your assistance. By recycling at the highest rate, the Town reduces its cost to operate the Transfer Station while protecting and preserving the environment.
